Dear Friends,

On behalf of the Holiday Project families and staff, I would like to express our sincere gratitude and thanks for your support. Many dreams came true for our families this Holiday Season. The generous outpouring of support from the community was nothing short of outstanding! There were contributions made through toy drives, sponsorship of families and foster children. We were able to have Christmas trees donated from a few of our local nurseries. There were 856 families blessed this Thanksgiving with a food basket for their Thanksgiving meal. During the Christmas season, approximately 758 families were touched by your generosity in the form of food and gifts for their families. It is so important to our families to know that someone cares.

Our community definitely understands the true meaning of Christmas, it is better to give than to receive. Best wishes for a happy and safe New Year!

Sincerely,

Michelle Streuli
Holiday Project Coordinator
